NEWSLETTER - APRIL'2021

Dear Parents,

Warm welcome to the first newsletter of another online academic session!

The bygone days have been a great learning experience for each one of us and have taught us many valuable lessons.

The unparalleled zeal with which our children participated in all the curricular as well as co-curricular activities was a sight to behold.

We shall continue to make learning holistic and joyful for them and welcome all our students with smiles and renewed enthusiasm for their online classes on MS Teams starting from 01st April 2021.

All the core subjects as well as co-curricular subjects will be taught online.

Thank you all for the great support you show in all our endeavours. Looking forward to a wonderful year ahead!

Best wishes

Ranjana Dean
