NEWSLETTER FOR THE MONTH OF JULY 2026

Dear Parents,

July marks the beginning of a new and exciting phase of learning as students return to school refreshed and enthusiastic after the summer vacation. The month offers valuable opportunities for children to develop healthy habits, responsible behaviour, and a deeper appreciation for the sacrifices made by our nation's heroes through a variety of meaningful activities.

To observe Road Safety Day, students will participate in engaging activities that promote awareness about traffic rules and safe practices on the road. On Healthy Eating Day, students will learn about the importance of nutritious food and healthy lifestyle choices through interactive and creative activities. To commemorate Kargil Vijay Diwas, students will engage in activities to express their gratitude towards the brave soldiers of the Indian Army.

Through these celebrations, we aim to instil important life values and create enriching learning experiences beyond the classroom. We look forward to your continued support in helping our students embrace these lessons and carry them forward in their daily lives.

Wishing you and your family a joyful and productive month ahead!

Warm Regards,

Dr Ram Singh

Principal
