Newsletter for the month of May, 2022

Dear parents,

As the school resumes its natural pace, I want to thank each one of you for stepping up and embracing the new normal. Be it offline classes or online, we thrive on your constant support.

As peak summer is ushering in, so are new opportunities for our students. Leadership is the capacity to translate vision into reality. With this thought in mind, we are all set to host the Investiture Ceremony 2022-23 in the first week of May. One ceremony shall not be enough, as our students never cease to amaze us with their achievements.

Aadvik Singh of class 2-F has made all of us proud by winning a bronze at the Delhi Roller Skating Championship. We are very proud of our students.

Keep up the good work!
