NEWSLETTER FOR THE MONTH OF OCTOBER 2026 **(PRIMARY WING)**

Dear Parents,

October brings with it pleasant weather and a spirit of reflection, compassion, and togetherness. Students will engage in meaningful activities to observe World Animal Day on October 4, encouraging empathy, care, and respect for all living beings. World Mental Health Day on October 10 will provide an opportunity to sensitise our young learners about emotional well-being, kindness, and the importance of caring for oneself and others.

The International Day for the Eradication of Poverty on October 17 will encourage students to reflect on compassion, equality, sharing, and the importance of extending support to those in need.

We value your continued support in making these learning opportunities enriching, purposeful, and meaningful for our children.

Warm Regards

Dr. Ram Singh
Principal

ACTIVITIES FOR THE MONTH OF OCTOBER 2026

<u>Week</u>	<u>Class</u>	<u>Theme</u>	<u>Activity</u>	<u>Material Required</u>	<u>Learning Outcomes</u>
10-10-26 to 16-10-26	I-V	World Mental Health Day	MY FEELINGS MATTER – Students will identify different emotions such as happy, sad, angry, worried and calm. Each student will draw an emotion face and complete one simple sentence: I feel happy when... / When I feel worried, I can...	A4 sheets, crayons/colour pencils, sketch pens	Learners will be able to identify and express basic emotions, develop self-awareness and understand the importance of talking about feelings and seeking help.
17-10-26 to 23-10-26	I-V	International Day for the Eradication of Poverty	SHARE, CARE & SAVE – Students will discuss the difference between needs and wants and make a Save & Share pledge.	A4 sheets, crayons/colour pencils, sketch pens	Learners will understand the difference between needs and wants and develop gratitude, sharing and responsible habits.

ENVIRONMENT CLUB ACTIVITIES - OCTOBER 2026

World Animal Day (4 October)

Classes I-II : Meet My Animal

Students will create a small 2-3 page flipbook about their favourite animal, including its picture, food and ways they can help protect it.

Material Required: Drawing sheets, pencil, animal picture, glue, colours

Learning Outcomes: Develop knowledge about animals and encourage understanding of the importance of protecting animals.

Classes III-V : Animal Bookmarks

Students will make animal-shaped bookmarks featuring slogans or messages on animal conservation.

Material Required: Drawing sheets, pencils, colours, markers, scissors, glue

Learning Outcomes: Develop awareness about animal conservation and promote empathy and responsible behaviour towards animals.
