ACTIVITIES FOR THE MONTH OF SEPTEMBER 2026

Dear Parents,

September is filled with exciting opportunities for our students to learn, grow, and express themselves. Throughout the month, important occasions such as Teacher's Day, International Literacy Day, Hindi Diwas, World Environmental Health Day, and International Peace Day will provide meaningful learning experiences that encourage creativity, awareness, gratitude, and responsible citizenship.

These celebrations will enrich students' understanding of important values while fostering their academic, social, and personal development. With the forthcoming midterm examinations for Classes III, IV, and V, September is also a time to stay focused, prepare diligently, and strive for excellence in academics.

Warm Regards

Dr Ram Singh

Principal
