Newsletter for the Month of September'22

Dear parent,

There are no secrets to success. It is the result of hard work, preparation and learning from our failures. It is that time of the year when students look back on all they have studied and get ready to prove their mettle in the Mid-Term Exams. Whatever may be the outcome, don't stress, do your best and success shall follow! Apart from maintaining academic rigor, this month, the students will also face competition in the war of opinions. Yet again, we are proud to host the 3rd Prabhjot Baruah Memorial Inter-School English Debate for Juniors. The topic for this year's debate – Appearances are Deceptive, is sure to bring out some interesting arguments. After the exams are over, the highly anticipated, Teachers Day special assembly will surely refresh and rejuvenate us all for the next term!

All the best for your exams!

Headmistress
