Newsletter for the Month of January'23

*Dear Parents,*

*On the way to success, the rule is, to always look ahead.*

*As we all step into a new year, fueled by the achievements of the past, it is important to acknowledge and appreciate the combined efforts of our students, parents and teachers. Individually we are a drop but together we become an ocean. Thank you, dear parents for your constant support and everything that you do for the children.*

*The year 2022 has reminded us of our true potential. We are ready to take up new challenges and to create more learning opportunities for our students. After a brief winter break, we begin the new year with exciting activities that'll surely bring our students back in action. The tiny-tots of Grade-1 will surely win everyone over with their Republic Day Special Assembly. Their heart-warming performance will surely set the stage for more fun events that are coming your way. We are looking forward to meeting you at the PTM on the 14<sup>th</sup> of January, 2023. We hope you are as excited for the new year as we are! Happy New Year!*
