NEWSLETTER - AUGUST 2019

*Dear Parents,*

*It's great to see all of our students back full of smiles, with a renewed enthusiasm ready for the term ahead!!!*

**GIFT YOUR CHILD A FUTURE WITH BOOKS.....**

*Children fall in love with reading in a unique manner. Cuddling with a parent over a book or gathering around the teacher for story time helps them associate reading with nurturing. "These reading experiences set the stage for later reading success,"..... .*

*As a parent we have a role to play too. Spending a few minutes each day sharing a story with your child will not only increase your child's language comprehension and vocabulary, but will also relax their body, calm the mind and will build up their emotional intelligence.*

**BENEFITS OF READING.....**

- Expanded vocabulary and writing skills.*
- Longer attention spans, promoting better retention of information in school.*
- Enhanced imaginative and critical thinking skills.*
- Enhanced memory and higher levels of concentration.*

*So, invite your child to select books to read. We appreciate your support as we work together to give your child the best of opportunities.....*
