NEWSLETTER - AUGUST'2020

Dear Parents,

As a new month unfolds, our children embark upon new adventures in the world of learning.

The bygone days have been a great learning experience for each one of us. It has taught us many valuable lessons and how to utilize our energy into building what is creative and empowering.

Beating the odds, our little ones are bringing us so much happiness with their beautiful creations on a daily basis. It's a pleasure to see them interacting and actively participating during their on-going online classes.

We look forward to celebrating India's rich and vibrant festivals like Eid-Al-Adha, Rakshabandhan, Janamashtami and Independence Day to foster intercultural learning experiences in them.

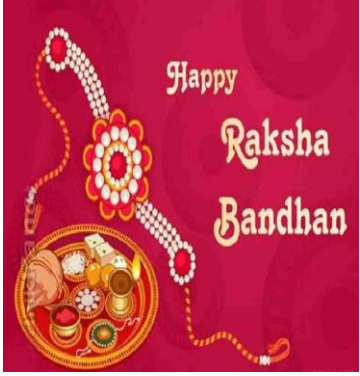

This year has certainly been an unusual one and we are proud of how we have worked together to bring out the best in our little ones!

Happy learning and keep shining!
