Newsletter for the month of July'22

Dear parents,

We hope you had a rejuvenating summer break. As students return to their classes, it is all the more important for them to practice Covid appropriate behaviour. This will be incredibly helpful in making our school a safer place for students and teachers.

As school resumes after the summer holidays, we welcome our students with new learning opportunities. Fun-filled activities are lined up as we celebrate English Week this month. It's a battle of opinions as students of class 4 and 5 gear up for the English Inter-section Debate. As chocolate is a beloved treat for young and old alike, we have planned some yummy activities for World Chocolate Day. Welcome back!
