NEWSLETTER FOR THE MONTH OF NOVEMBER 2024

Dear Parents

As we transition into November, we commemorate significant milestones that evoke a profound sense of pride and joy. Over the decades, we have nurtured generations of learners, empowering them with knowledge and values that shape their future. This November, we are honoured to celebrate 75 years of unwavering commitment to delivering exceptional educational experiences.

Children's Day is a day dedicated to commemorating not only Pt. Jawaharlal Nehru but also the remarkable potential, creativity, and innocence of children. It is a time to celebrate their happiness, well-being, and education. On the 26th of November, we commemorate the adoption of our nation's Constitution and reflect on the values of justice, equality, and democracy. As part of the Ek Bharat Shreshtha Bharat (EBSB) initiative, the students will learn about the advantages of rainwater harvesting techniques implemented by our partner state, Lakshadweep.

We look forward to an eventful and celebratory November!

Wishing you all a joyous Diwali!

Warm Regards

**Manisha Varma
Headmistress**
