ACTIVITIES FOR THE MONTH OF NOVEMBER-2026

Day / Date	Class	Activity Description	Material Required	Learning Outcomes
16-11-26 to 22-11-26	**I–V**	**20 November – World Children's Day** **The day marks the importance of children's rights, including the right to education, protection, participation, play and being heard.** **MY VOICE, MY RIGHTS** **Students will receive picture/word cards showing simple rights such as learning, playing, being safe, receiving care and expressing an opinion. In small groups, they will match each right with a responsibility (for example, the right to learn – responsibility to participate and respect others' learning). Each student will create a "My Voice" speech bubble with one idea that can make school a happier and safer place. Students will share their ideas in class.**	Picture / word cards, A4 sheets, speech-bubble cut-outs, crayons, colour pencils 	Learners will identify basic child rights and connect rights with responsibilities. They will practise expressing their views, listening to others and understanding the importance of inclusion, care and safety.
23-11-26 to 29-11-26	**I–V**	**26 November – Constitution Day of India (Samvidhan Divas)** **The day commemorates the adoption of the Constitution of India on 26 November 1949. The Preamble highlights values such as justice, liberty, equality and fraternity.** **OUR CLASSROOM, OUR CONSTITUTION** **The teacher will introduce selected words from the Preamble in child-friendly language: justice, liberty, equality and fraternity. Students will match each value with a classroom action (being fair, allowing others to express ideas, treating everyone equally and helping classmates). The class will read a simplified pledge together. Students will then create a mini-poster titled "I practise constitutional values when I…".**	Selected Preamble value cards, A4 sheets, crayons, colour pencils, sketch pens 	Learners will understand the significance of Constitution Day and become familiar with key values in the Preamble. They will relate equality, fairness, freedom, unity and mutual respect to everyday behaviour at school and at home.
