

Dear Parent

April 1, 2026

The beginning of the new academic session is a joyful milestone, and we warmly welcome all our young learners and their parents to the school.

This newsletter is designed to keep you informed about the activities and learning experiences planned and conducted each month. Through a range of engaging and age-appropriate activities, we support the children in settling comfortably into their new environment while fostering their social, emotional, physical, and cognitive development.

We look forward to partnering with you in making your child’s learning journey happy, enriching, and meaningful.

Wishing everyone a wonderful year ahead.
