

Dear Parent

December 1, 2024

December's chill has our little ones bundled up in cosy jackets, enjoying the sun's warmth outdoors. The past month was full of excitement after a lively Children's Day celebration featuring a special story enactment by teachers followed by an enthralling Magic Show. An exhibition showcased the children's creative work, filling them with pride and confidence as they looked at their displayed masterpieces.

As Christmas approaches, the festive spirit of caring and sharing is in the air. Tiny hands are busy crafting decorations, eagerly awaiting Santa's visit and his thoughtful gifts, spreading joy and warmth all around.
