1st July 2021

Dear Parents,

The Pre-Primary Wing online classes have come alive with the bubbling cheerful voices of our little angels. They are brimming with enthusiasm and are raring to go.

Summer is at its peak, and we hope that this month brings with it cool showers, thereby bringing the temperature down to make the days ahead more comfortable and enjoyable. The month of July is a busy one, loaded with activities to make learning fun and exciting. It is imperative that the child feels energetic and participates wholeheartedly in class, so please ensure that your young one is fresh and active after a good night's sleep, ready to face the challenges of the day.

A 'Suno Kahani' fest is planned for our little ones this month. Stories help children relate to everything- for e.g., their experience from nature to relationships, from feelings to memories etc. They help to develop a child's imagination by introducing novel words and characters. Children are quick learners and absorb and imbibe everything around them. It is our constant endeavor to inculcate value-based teaching through stories. Children listen to stories with a keen ear so anything taught through stories is remembered for a long time to come and becomes a life lesson.

ACTIVITIES OF THE MONTH (on MS Teams)

8th & 9th July 2021 (Thursday & Friday): 'SHOW TIME'

" All work and no play makes Jack a dull boy". Keeping children occupied is a tough task but a movie show with friends, sipping their favourite drink, munching on popcorn will surely make them jump with joy.

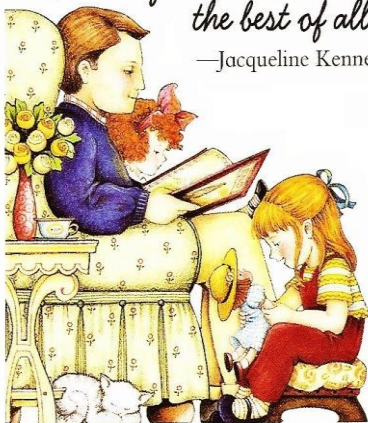

In order to break away from the usual routine a 30 minutes online movie show has been planned on the 8th and 9th of July 2021 at 11:30 a.m. for our little ones.

15th & 16th July 2021 (Thursday & Friday): 'SUNO KAHANI'

Stories play a vital role in the growth and development of children. They help to boost creative expression and vocabulary. Two story telling sessions will be held through an enactment and use of puppets, respectively. The teachers will weave the magic of stories for the little ones, helping the children give wings to their imagination and enhance their expression through discussions held during the story telling sessions.
