## Pre – Primary Wing

### Newsletter

1<sup>st</sup> September 2021

**Dear Parent,**

The early childhood years demand a stimulating environment, with emphasis on exploration, individual attention, free expression and loads of love and care. We at Delhi Public School Mathura Road constantly aim towards the holistic development of our children to make them confident, happy and aware. The celebrations for Independence Day during National Integration Week, Janmashtami and Raksha Bandhan went on in full swing in August, reinforcing the religious, cultural and patriotic values these festivals bring with them. A surprise, in the form of a story telling session by Pitamber Publications was welcomed enthusiastically and enjoyed whole heartedly by everyone on the online platform.

This month is a special month for the students as Teacher's Day is celebrated on 5<sup>th</sup> September on the birth anniversary of Dr. Sarvepalli Radhakrishnan, the second President of free India. Children all over the country pay a tribute to their teachers on this day. The relevance of a good teacher in the children's lives will be highlighted on this day.

Mathematics gives us every reason to hope that every problem has a solution, as numbers form an important part of the curriculum. Keeping this in mind, numbers form the theme for the week 'Number Ninja' wherein the little ones will be indulging in various activities during online sessions and learn about basic Mathematics in a simple and playful manner.

## ACTIVITIES OF THE MONTH (on MS Teams)

**3<sup>rd</sup> SEPTEMBER 2021 (Friday): TEACHER'S DAY ASSEMBLY**

A special assembly will be held on 3rd September to celebrate Teachers' Day. The children will show their fondness and love for their teachers and express their gratitude towards their guides, gurus and mentors in various ways. The day will be full of fun and the children will spend precious time with their teachers doing an interesting activity.

Please Note: Teachers and children will assemble in the morning at 8:15 a.m. to celebrate Teachers' Day and no online and WhatsApp classes will be conducted that day.

\*\*Material required for the activity will be shared through the weekly list.

9<sup>th</sup> & 10<sup>th</sup> SEPTEMBER 2021 (Friday):

**NINJA NEWCOMERS**

Number Ninjas are children who practice math facts in a fast- action way. It's a great way to help our kids understand math concepts in a play way fun method. Few activities have been planned for the same which the children will enjoy performing themselves and fall in love with the subject.

\*\*Material required for the activities will be shared through the weekly List.

**Important Note:** We have an upcoming event – ‘**Creativity Day**’ in the month of October where an exhibition will be held of various art and craft objects prepared by our children on a specific theme. Multiple activities will be done in the month of September for the same. We request you to keep them safely in a clear bag for the exhibition. We look forward to your support and cooperation for making the exhibit a success on this virtual platform.

\*\*We will share the material required through the weekly list for the same.
