Newsletter April

1st April 2019

Dear Parent,

The beginning of a new class in school is a wonderful time in a child's life. Each day in school is an adventure, everything is new and exciting and we aim to help the children settle into the new and awe inspiring environment with ease. We recognize that each child is unique and every attempt will be made to make his or her experiences at school both positive and rewarding. We hope this year will provide many happy memories for both you and your child and we look forward to an active, wonderful and fulfilling year ahead.

Activities are planned keeping in mind the child's strengths helping him/her to acquire skills and understanding in all areas of development i.e. social, emotional, physical and cognitive. An attempt is made to keep you updated with all events and information regarding the curriculum through a monthly newsletter. Kindly make it a point to go through the letter carefully as it highlights all important information and events for the month.

Renu Puri
Senior Mistress

1st April, 2019 (Monday): The **Pre-Primary** children will be welcomed into their new class with an activity planned specially for them.

4th April, 2019 (Thursday) : The new **Pre-School** children will be welcomed on the first day with a head band .

Marble Painting/Splash Painting :The **Pre-Primary** children will roll painted marbles on a sheet of paper making different pictures.

Nature is essential to our lives – from the food on our plates to the clothes we wear, from medicines to our overall health. Children especially have a natural affinity with nature. Evidence is growing of how regular contact with nature boosts children’s healthy development, supports their physical and mental health and instils abilities to assess risk as they grow. It even underpins their informal learning and academic achievement. In our endeavor to give children an opportunity to explore nature and sensitize them towards their role as a nature warrior we shall be celebrating **Nature Week** from 22nd April to 26th April 2019

22nd April, 2019 Monday – My Earth My Home – Various activities will be conducted in the class room to make the children aware about the significance of celebrating Earth Day.

Material required- Transparency sheet cut in a circle shape (diameter 12 cm). Stain glass paints (colours- green and blue).

Pre Primary –F will be conducting an assembly to reiterate the importance of taking care of mother earth.

23rd April, 2019 Tuesday-Let Us Do our Bit- The Children will bring small indoor plants in planters (with hooks), which shall be hung on a designated spot. The importance of having more trees and plants around will be talked about and how little ones can help in taking care of the environment will be explained.

24th April , 2019 Wednesday- The Garden Yogis- A healthy mind resides in a healthy body and nature inspires us to take care of our body and mind. Hence, the children will have a Nature themed Yoga session with their teachers where they will be taught Aasans like Vrikshasana ,Taadaasan , Bhajangaasan ,padmasana, butterfly pose- Ushttaasan.

25th April, 2019 Thursday–Nature musings- The children will be taken on a nature walk and made to observe various aspects of nature that come together to make their world so beautiful. Tree Talk: Children function better cognitively and emotionally when they interact with plants. Research shows that hugging a tree makes you feel happier. Hence children will be encouraged to hug a tree, talk to plants and take care of trees. Nature related games will be played in the classrooms to strengthen their learning.

26th April, 2019 Friday- Me The Nature Warrior- Children should prepare few lines on how to preserve nature (air/ water/ animals/ plants/ environment etc). Children can make props or come dressed up accordingly.

Note:-

Kindly send 10 passport size photographs of the child wearing his/her new uniform with the name written behind them, passport size photo of family members, family photo, photos of grandparents and of the child doing various activities . We would also be sending photographs to you to be printed for the ‘Year Book’. Kindly send the prints to the class teacher when asked for.

Books to be brought by pre primary children only

Sam the fat cat-Monday, Tuesday, Wednesday

SwarSudha-Thursday , Friday

Poem books- Friday
