Dear Student,

We hope you are safe and doing fine.

We are glad to have you onboard for the ASSET Test. ASSET is a benchmarking test to help you assess your scholastic skills and identify the areas of strengths and weaknesses.

Please go through the test schedule and instructions mentioned below carefully.

Test Schedule:

Date	Grade	Subject	Time
18th January	All Grades	English	04:00 PM
19th January	All Grades	Maths	04:00 PM
20th January	All Grades	Science	04:00 PM
21st January	All Grades	Social Science/Hindi	04:00 PM

Instructions for ASSET Test:

1. The URL for the test is: https://www.assetdynamic.com/index.php

2. The test can be conducted on computers or netbooks or on tablets (with screen size 9 inch or greater).

3. ASSET (Computer Based) works on the latest version of Google Chrome, Mozilla Firefox or Internet Explorer.

4. The internet bandwidth required by the students is 2 Mbps. This is needed to ensure the smooth conduction of tests.

5. The test code will be shared with the students 5 minutes before the test start time.

6. On the test dates, students are required to join the zoom meeting (Meeting link shared below). The test will start sharp at the time mentioned in the above schedule.

7. In case, any student is not aware of the student Id, the same can be asked from the test facilitator during the test.

8. The students will be given a demo before starting the test. It will help them understand the login process.

9. If in case a student gets logged out of the test, the student can resume the test from the same or another computer/tablet using the same details as used to start the test earlier. The teacher has to enable re-login from her screen for the student to resume the test. The student will be able to re-login and do the test from where he/she had stopped.

10. Each student gets a different set of questions which are dynamically generated.

11. The students are suggested to attempt all the questions. There is no negative marking in the ASSET test.

12. To access the reports, the students will be provided with an access code after the tests. The same link will be used for accessing the reports as well.
