

REPORT-EVS WEEK (10TH-14TH OCTOBER 2022)

Delhi Public School, Mathura Road, Primary Wing celebrated the EVS Week from 10-14 October 2022. The theme of the EVS Week was 'The Earth Empire'.

A wide range of fun and interactive educational activities were taken up across classes I-V during the EVS periods with an aim to provide a forum to children to pursue their natural curiosity to quench their thirst for creativity.

From a Fashion Show on "Endangered Species" to demonstrations and explanations on innovative working and still models and projects based on alternative sources of energy, plant life, food adulteration and types of soil, several events constituted the week. Poster Making and Slogan Writing activities, Role Plays, PPTs and Audio-Visual Discussions on the environment, its challenges and what can be done to save the planet were carried out. Quizzes were also conducted to check the students understanding of various environment related topics.

Theme- based activities which were conducted in classes-

Class I- Theme – The Friendly Footprints

Class II- Theme – The Biocrest Soil

Class III- Theme – Nature Nurtures

Class IV- Theme – The Green Galore

Class V- Theme – Greenergy

The week was a success as the students enjoyed the activities. The experience was enriching for one and all.

Evs week class 4
