

Dear Parent

As per the latest guidelines issued by the MHRD, the screen time for Primary Classes has been capped to a total of 90 minutes per day. Abiding by the guidelines, certain changes have been incorporated in the online teaching timetable which shall be applicable from 5th August'20.

Class I:

- **Each session of core subject scheduled on MS Teams, would now be of 30 minutes duration only. However, the Home Room period will continue as usual.**

Classes II-V:

- **On days when three sessions of core subjects are scheduled on MS Teams, each would now be of 30 minutes duration only. While on days where two sessions of core subjects are scheduled on MS Teams, each would continue to be of 45 minutes duration. However, the Home Room period will continue as usual.**
- **Also note that the third language session for class V which was initially conducted on Fridays will now be held on alternate Saturdays (i.e. two sessions per month) in two slots: Team A- 11 am to 11:45 am and Team B -12 noon to 12:45 pm.**

Kindly note that the attendance in the Home Room period is mandatory. Students may refer to the recordings of sessions which are available in the 'CHATS' of the meeting, in case any MS Teams session is missed.

The attendance in WhatsApp sessions of Co- curricular subjects (Dance, Music, Physical Education , Art, Value Education, Online Class Library and Computer) is optional.

The new timetable incorporating the above changes will be shared shortly.

**Ranjana Dean
Headmistress**
