Misleading information on few online news platforms: CBSE advises public to follow official website only

It has been noticed that a few online media platforms are circulating incorrect information and confusing audiences, using expressions such as Breaking News about major exam pattern changes in class X and XII, Term 2 Board exams.

It is clarified in the interest of students that the Board had announced the changes in exam pattern (mentioned in circular number 51, dated 5th July 2021). Term 1 exams have already been completed and the format of exams for Term 2 is also mentioned in the same circular.

Public is therefore advised to only check official website <https://www.cbse.gov.in> for latest and authentic informations.
